2017 Edition 3

Well it's been a while between newsletters and the author has been busy adjusting to change in the corporate world. I'll leave it to our missing in action Fine Master to make a determine as to the appropriate contribution.

It was agreed that the Fine Master, Frank O should be fine for two reasons:

1. For leaving early to make tomato sauce **\$10.**
2. For not playing at Rosebud CC and letting Catherine dominating him. Little Frankie can't play it's too wet **\$10**

The Dunes (5 March 2017)

Nunz won the day meaning he has now got back to back wins. In joint second was another Panella, Ange along with Marco. Third was taken out by Gian

Rosebud CC (9 April 2017)

Chris took out the day from Nunzio in second and Carlo in third.

Nunz now has two first places and two second places. Taking last year off golf has been a genius master play.

Provisional Leader Board

Gentlemen, the Panella's and Fine Master the provisional leader board has been calculated.

Nunzio is leading the PSGC Championship, can the super netball coach maintain the high quality golf and taken out his first every PSGC Championship.

Chris (I've already done the Britexit) is in second

Frank M is in third and now the best golfer at PFG and should play in the corporate golf days in place of Ange and Frank O.

Manny is currently favourite for the NAGA and is working on blowing out his handicap. I think the handicapper should investigate.

Please note as some handicaps are yet to be known there maybe minor changes.
